Fundraising Flower Bulbs

PDF Worksheet Instructions

1. Check totals on individual sales brochures carefully. DO NOT send these to Dutch Mill Bulbs.
2. List each group member's name and package quantities in the appropriate columns.
3. After all members' orders are listed, CAREFULLY add columns down and all rows across (see diagram). Note bottom right number is the same (33 in this example) when order is totaled across or down. If this number does not match, double check your figures!

Name	A	B	C	Etc.	Total
John Smith	3	4	7		14
Mary Jones	6	8	5		19
TOTAL	9	12	12		33
